BUILDING C – EXPRESSION OF INTEREST FORM

Following the successful refurbishment of two buildings for community use, arts, education and enterprise, The Red Brick Building Centre Ltd is undertaking work to renovate and refurbish Building C.

We have a list of organisations interested in taking space in Building C when it is refurbished. We are now reviewing the list as well as taking new expressions of interest. This is to help us find suitable tenants for the building and identify ways of funding the refurbishment (estimated cost £2 million).

Please register your interest here by completing the details as fully as possible. *Please don't forget to let us know if your circumstances change and you are no longer interested.*

Name	
Business / Organisation	
Address	
	Postcode
Telephone	
Email	
Website	

Tell us a little bit about your business / organisation and what you would like to have at the Red Brick Building – please give detail and how this fits in our ethos of community, arts, education and enterprise.

How much and what sort of space do you require? E.g. small studio, office space, workshop. Please provide approximate square footage

How many people do you employ?

How many new jobs may be created by moving to the Red Brick Building?

How many volunteers and members of the community does your work support?

Might you be able to help fund the refurbishment of the area you would like to lease? If so how? (e.g. grants, donations, loan to the RBB) and approximately how much funding might you have available?

What difference would being located at the Red Brick Building make to your business / organisation?

Any other information
