Buy One for One Year

Become a **Friend of the Red Brick Building** by buying one brick every year. We rely on fundraising and support from the local community to make sure we can continue to bring events, arts, music, comedy and enterprise opportunities to the local area.

If you can buy one brick every year, you'll be playing your part on keeping this vibrant part of Somerset a little more lively, creative and fun. In return you'll get access to a raft of offers from the Red Brick Building and our tenants – plus a warm and fuzzy feeling that you're helping to keep the local community alive. We'll also hold exclusive events for Friends of the RBB and be in touch with ways that you can get more involved.

For just £30 a year you get

- 25% off paintings by **Paul Branson, Tony Johnson** and **Jason Nosworthy**
- 15% off Architectural Design Services with **WD Architects**
- 10% off food at **Bocabar** on Tuesday nights
- 10% off yoga at **Blissed out Yoga**
- 10% off DJ Workshops with **Maed Audio**
- 10% off millinery and felt creations by **Silvia Prandini** (*unless already discounted*)
- 10% off Workshops and Wellbeing Advice with **Ann Diment** and
FREE EFT tapping sessions to all willing volunteers
- 5% off cloaks offered by **Avalon Cloaks**
- ***And a warm glow that you are supporting a local community project!***
